## KIDS FIRM SUPPORT SINGLE MATTRESS

**Product Code:** 001071153001

**Product Description:** A firmer mattress specifically designed for growing bodies. The pocket spring unit allows the spine to be supported in its natural shape while each spring acts independently, ensuring the best possible skeletal alignment. The mattress has been designed to distribute weight more evenly, minimising tossing and turning to achieve a deeper, more restful sleep. The Kids Firm is gentle, but still supportive on growing bodies as a firmer foam is used through the centre third of the mattress to add support where it is needed most. A healthy choice, even for allergy sufferers, as the foams and the fabric use Ultrafresh to eliminate mould, bacteria and fungus, known triggers for allergies and asthma.

**Unit:** EACH

**\$269.00** inc. GST

### Features

Dimensions (mm): 1880 (L) x 910 (W) x 200 (H)
