GOLD PLUS EXTRA FIRM KING MATTRESS

Product Code: 111071076001

Product Description: The Gold Plus range is a great entry level pocket spring mattress with a feel to suit most needs. Lighter in weight than some other pocket spring mattress, it is easy to maintain, and will suit those looking for a value for money pillow top without compromising comfort or support. The 3-zone pocket spring unit provides excellent lower back support while gentle on the shoulders for side sleepers. Individually pocketed coils conform to the body shape and distribute weight evenly, minimising pressure points and tossing and turning. Partner disturbance and roll-together are virtually eliminated as each spring acts independently, nested in its own fabric pocket. A heavier gauge of wire is used through the centre third to minimise sagging and increase the support where it is needed most. The high density foam box ensures up and down movement only on the spring unit, no side to side ensuring optimal support. It also provides edge to edge sleeping space with no compromise on comfort. Soft, bamboo blended fabric provides excellent thermal and moisture regulation using Hollow Fibre Technology. The Euro style pillow tops in the Gold Plus range provide extra pressure relief and comfort using various densities of quality foams to reduce tossing and turning and nerve entrapment (pins and needles). The Gold Plus Extra Firm is our firmest mattress and suits those looking for the very firmest mattress.

Unit: EACH

\$999.00 inc. GST

Features

Dimensions: 1830 x 2030
Spring Count: 754
